## WEEE Compliance 2009

# DON'T get a shock from WEEE compliance costs!

Join the UK's favourite compliance scheme

**WeeeCare<sup>®</sup> Plc**  
Compliance Assured

# Calling all Electrical & Electronic producers

As a producer or an importer of electrical or electronic equipment you must register for the 2009 Weee Compliance period by the 15 October 2008. To take advantage of our low costs and fixed prices, please remember you must give your existing scheme at least 3 months notice to leave.

**YOUR DEADLINE IS 15 JULY**

## Over 1000 members can't be wrong

Last year we insulated our members from high compliance costs by introducing WeeeCare – the lowest cost, fixed price WEEE compliance scheme around.

Over 1000 satisfied members later we are now pleased to offer you even better rates for 2009. Here's what some of our members say:

*'An impressive and all round good value service'*  
Helen Evans, Promethean Ltd

*'Moving to WeeeCare has been the best business decision we have made in the last year'*  
Audrey Oulliber, Johnson Health Tech UK Ltd

*'Their information and advice has been invaluable and I would not hesitate to recommend them'*  
Richard Worland, Director, Body Clock Health Care

*'We have been delighted with their professionalism and level of support they have provided'*  
Sheila Downing, Fellowes plc

## See how you save with WeeeCare

## Why the WeeeCare Compliance Scheme makes sense

WeeeCare Plc is dedicated to recycling over 95% of materials collected. In addition, we are passionate about cutting the mystery and bureaucracy often associated with compliance.

Our dedicated compliance team

Our aim is to take the hassle away from manufacturers & importers with our efficient, friendly and flexible service.

## Scheme options

### B2B Underwritten

Fixed cost per tonne based on your output in the previous year. Covers collection of all your obligated WEEE directly from your business end users' premises.

### B2B PAWG

Only pay for collections of your obligated WEEE as and when they arise. Collections can be made from your business end users or directly from your own premises.

### B2C Underwritten

Fixed cost per tonne based on your output in the previous year. This covers your B2C obligations for the whole of the compliance period.

### B2C PAWG

Changes based on EEE to WEEE ratios determined by the Environment Agency. We will collect your obligation from CA and DCF sites and invoice quarterly in arrears.
